LIVING ROOM

A room that invites you to play with the contrasts of each of the pieces that make up its design. An environment where the excellence of sophistication is present.

The robustness of its pieces and the game it offers you in the separation of environments make it an ideal space to enhance the strength of the style you want to achieve.

It promotes a persuasive visual atmosphere thanks to:

Side tables

Coffee tables

Armchairs and armchairs

Low stools or pouffes

Sideboards

TV furniture

Screens

Bookcases and shelves

Sofas

DINING ROOM

A place for fun and joy, the room that hosts the main family or friend gatherings should be accompanied by furniture that invites you to continue enjoying the moment. For this, it is very important to equip it with comfortable, resistant and, of course, stylish furniture!

Each of the dining room pieces in our catalogue reflects the latest trends of the moment. In addition, the attention to detail of their finishes provides the desired dose of elegance.

In the QeChic PRO catalogue you will find:

Dining tables

Stools

High tables

Dining chairs

Display cabinets

BEDROOM

Warmth and well-being are the main characteristics that this room needs so that its faithful companion, comfort, appears in it.

A cosy atmosphere enhances warmth and improves rest. For this reason, harmony must be present between the different pieces that make up the room.

In the QeChic PRO catalogue you will be able to create sensations of balance thanks to of balance thanks to:

Bedside tables

Chests of drawers and chest of drawers

Beds and headboards

Bed bases

Chests of drawers

Wardrobes

OFFICE

Did you know that a pleasant atmosphere and synergies increase productivity? When choosing the furniture that will form it, you will have to pay attention to the warmth of the finishes they offer.

Distribute the pieces in such a way that the atmosphere is not overloaded. Allowing the design synergies to circulate throughout the room will ensure that well-being is present in the room.

You can achieve this effect thanks to the following furniture:

Writing tables

Desk chairs

Drawer units

GARDEN

Anytime is the perfect time to escape from the routine and start enjoying the wellbeing of nature. You will have the opportunity to create spaces that are close to the essence of the outdoors thanks to the natural fibres present in our furniture.

You will have the opportunity to create spaces that are close to the essence of the outdoors thanks to the natural fibres present in our furniture. Bright or muted colours? We invite you to discover the feeling you want to achieve.

Tables

Chairs

Hanging chairs

Sun loungers and hammocks

Armchairs and pouffes

Rockers

Artificial plants and flowers

Parasols and parasol stands

Carpets

Cushions

DECORATION

Creating unique and exclusive spaces is easy thanks to decorative pieces. A plant in a corner, a painting that shows a fragment of a lived experience, a figure that fills the room with style and colour, offer you the possibility of creating spaces that are closer and more personal.

A coat rack in the entrance hall or even a small tidy detail can create an atmosphere of well-being in the room thanks to the visual relaxation it confers.

We offer you the following decorative pieces:

- Decorative figures
- Bathroom accessories
- Pictures
- Coat racks
- Vases
- Candle holders
- Decorative ladders
- Table centrepieces
- Electric fireplaces
- Clocks
- Boxes and baskets
- and many more!

LIGHTING

The intensity of light has a direct influence on the development and sensations perceived in a room. In QeChic PRO we have chosen a variety of lamps that are characterised by offering warmth and different light powers, so you can find the ideal model for each room.

From the most classic to the most contemporary designs, you will find a wide variety of styles, materials and shapes.

In our catalogue you will find:

Ceiling lamps

Table lamps

Floor lamps

TEXTILE

Textiles are the final touch in the decoration of rooms. Textures provide different sensations which, together with the character conferred by their colour, become one of the main decorative axes.

They are ideal for breaking, in a certain way, the general concepts geometric patterns create a visually appealing atmosphere with those textiles
an attractive visual atmosphere with those one-colour textiles.
You can create this sensation thanks to:

Cushions

Rugs

Blankets

Doormats

KITCHENWARE

Taste and sight are two very sensitive organs when it comes to satisfying your expectations in the presentation of the dish. A handcrafted product whose flavour cannot be accompanied by just any piece.

Discover a careful selection of quality pieces so that you can choose between crockery, cutlery and other tableware items that meet the following characteristics: design, elegance and resistance.

In our catalogue you will find:

Tableware

Kitchenware

Food storage

Kitchenware

The page features four teal geometric patterns in the corners, each consisting of overlapping triangles and squares. The central text is white, and the overall design is clean and modern.

WE ARE WAITING FOR YOU!
